An attendance of 111 members and friends was a very rewarding number making for a great afternoon and more importantly, raising around \$26K for junior cycling.

Gordon Johnson in his many ways is an icon of the sport but the occasion had the attendance of two more cycling icons namely Stewart Doyle OAM and down from Sydney Phillip Bates AM.

Ron Gower made the Life Membership award to Gordon Johnson on behalf of the Maillot Jaune Club.

Gordon Johnson was one of the founding members of the Maillot Jaune Club, still running successfully more than 25 years later, as a figurehead, supporting the Club throughout, including a long term as President.

A fitting reward, congratulations Gordon Johnson.

The Johnson table, with lifetime mate Corrado Stephani and that couple of icons of our sport also in attendance.
