UPDATE Tour de France Luncheon 14th, August 2025

Hi Fellow Members, past Members and Friends of MJ

Well the 2025 Tour de France is almost upon us starting tomorrow Saturday 5th, July and we will have our own experts on the ground in France to bring back their insight into the Event.

Further to our Expert TdF Panel in Stuart O'Grady and Baden Cooke fresh back from the TdF at the Luncheon we have a very special occasion and guest in Gordon Johnson 1970 World Sprint Champion and a Founding Member of Maillot Jaune.

In recognition of Gordon's service and dedication to leadership of the Maillot Jaune Club for well over 20 years and also a Founding Member who's drive and vision along with the other founding Members built the Maillot Jaune Club into the organization it is today.

Gordon is being Honoured with Life Membership and coincidentally the TdF Luncheon falls within the same week in 1970 that Gordon Won his World Sprint Title making it a double celebration to recognize a truly unique person and Cycling Champion.

I'm sure there will be many a tall tale but true of that day in 1970 relived during the presentation.

Along with our TdF expert Panel and the Legend in Gordon Johnson being recognized for his service to Maillot Jaune and his 1970 World Championship.

We have our one and only John “iffy” Trevorrow over in France and hopefully bringing some interesting insight back with him and some interesting items for our Raffle etc.

I wish to thank those members who have already registered for the TdF Luncheon and especially those who have paid up front, thank you as you are making my tasks easier.

We won't know until after the TdF if we have any further special guests, but John “T” is trying his best to have someone special attend, possibly not as special as Gordon, but special just the same.

So until I have more information.

Regards and very best wishes to all.
